COVID-19 Operating update – Fraser Wood open for business

Dear Clients, Customers and Friends

We hope that this finds you and your family safe and well.

2020 has been a challenging year for everyone and it appears that this is unlikely to change for the foreseeable future. Despite the country entering into a second lockdown from 5 November, the property market is to remain open, subject to strict social distancing rules and procedures, and Fraser Wood will therefore be continuing to offer our usual range of services to all our clients, in accordance with the latest COVID-19 rules, as we have been since the first lockdown finished.

Our Offices are only open for visitors where appointments have already been arranged.

If you have any symptoms of COVID-19, which include a high temperature/fever, a new continuous cough, loss of smell or taste, and have experienced these symptoms within the last 14 days, please DO NOT enter the building, even if you have an appointment.

The welfare of our staff is paramount in these unprecedented times.

Only one party (two persons) will be allowed to enter our Offices at any given time.
